Pay and display car parks are also available in West Bromwich town centre (see green areas on plan below), with public transport links to and from the football ground. Both buses and Metro run approximately every 5-8 minutes during the day, and every 15 minutes in the evening.

Alternative Parking
Off-street parking will be available in Lewisham Park, located off Dartmouth Road, approximately 500m south of The Hawthorns Metro stop. Parking will be made available from 3 hours before kick-off until 2 hours after the final whistle.

The charges for parking will be:
- Motorcycles, £1.00
- Cars, £3.00
- Mini Buses, £5.00

Introduction
Sandwell Council are introducing a Red Route on key roads in West Bromwich and Oldbury, to reduce congestion and accidents, to improve traffic flow and make better provision for legal parking.

What is a Red Route?
Red Routes use a package of measures to improve traffic flow. The most obvious of these measures are red lines along the road edge to say “No Stopping”.

- **Double red lines** mean “No Stopping at any time”. These are typically located near junctions and on central reservations. Stopping and parking either at or behind the kerb will not be permitted in these locations.

- **Single red lines** mean that stopping at certain times is permitted - read the nearby sign.

Which roads are affected?
The main roads affected in the vicinity of the WBA Football Ground are shown on the plan below, and include A4182 Kenrick Way, A4252 Telford Way and A4031 Trinity Way.

How will on-street parking be affected on Match Days?
- Parking on the Red Route will be restricted to areas with a single red line. There will be no charge to park in these locations, which are highlighted in green on the plan.
- Parking on a single red line will only be permitted:
  - after 6.30pm on a weekday evening until 7.00am in the morning
  - at any time on Saturdays, Sundays and Bank Holidays
- Parking will not be permitted on the central reserves of dual carriageways, or close to main junctions, which are marked with double red lines. Parking on the verge or footway behind these double red lines will also be prohibited.
