## Request

The drop down curb outside 57/59 Greswold Street B71 1NX, can I request who paid for the drop down as we have purchase 59 Greswold Street and 57 say we cannot use the drop curb as belongs to them. My understanding it belongs to the highway so they keep blocking it put obstructions in the way. We are in the process of extending the drop curb but want to be clear, so no misunderstanding.

## Response:

We only have records relating to dropped kerbs going back to 2004. We have looked at these records and have no details relating to a dropped kerb being constructed at 57 Greswold Street, West Bromwich.

The pavement crossing is however aligned to the property boundary of 57 Greswold Street which implies that it is for their use only. The crossing forms part of the public highway and does not belong to the residents of 57 Greswold Street.

The residents of 57 Greswold Street cannot park on the pavement crossing but can park anywhere within the curtilage of their property.
