Property Services have a number of industrial units currently available to rent across the Borough ranging in size from 60 sqm (646sq ft) to 232 sqm (2500 sq. ft.)

All units are available on a three year full repairing and insuring lease basis, subject to a sealed bid process.

The lease includes a three month break option, which gives the tenant the opportunity to terminate the lease at three months' written notice. The notice is subject to all rent being paid to date and the unit being handed back to the Council in a condition that meets with the satisfaction of the Property Service's representative. A conditional survey of the unit will be undertaken before the unit is let and again upon return to Property Services.

Units may be used for any industrial use within Class E, B2 & B8 of the Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020. Uses for motor vehicle repairs, motor vehicle breaking, tyre fitting and repairs, valeting, taxi services are not permitted or any other use that may be deemed inappropriate.

Virtual 360 videos are available to view premises being marketed and can be accessed via the following link:

● <https://www.youtube.com/@sandwellmbcpropertyservice725/shorts>

● If you are successful with your offer of rent, you will have the opportunity to view the premises once you have received formal confirmation your offer has been accepted.

● Applications for premises must be made on the formal sealed offer and application to lease form, which can accessed via the following link:

https://my.sandwell.gov.uk/service/application_to_lease

In order to fill in an application to lease form, you will be asked to create a My Sandwell Account. If you already have a My Sandwell account you will be asked to log in.

Once you have completed the form, you will receive an automated email confirming your application has been submitted, with a list of documents that will be required. Please note, offers will not be opened until after the closing date.

If an offer is accepted the property will be placed "Under Offer" and taken off the market. For the property to be formally "Under Offer", however, the offeror will be required to pay an online payment of £750 towards the council's initial fees; all other fees will be collected near formal completion of the lease.

The under offer fee is non-refundable and will only be returned if the lease does not proceed purely as a result of reasons beyond the control of the prospective lessee.

Please Note: Where Properties are marked "UNDER OFFER" this means the property is no longer available and will remain in the marketing particulars until formal completion of the lease.

In addition, prior to a lease being granted and as part of the due diligence process, the Council will require the following from the successful offeror:-

- Certified identification documents (i.e. driving licence and passport) from a Solicitor, from their firm's email address.
- Completion of the Council's Anti Money Laundering Declaration Form, together with the necessary supporting documentation (e.g. 12 months bank statements)
- Proof of home address (e.g. personal bank statement, utility bill)
- A satisfactory credit report from an accredited credit reference agency, which will need to include the scoring information.
- Company accounts for the last three years or from the time of trading, if the lease is to be granted to a registered company.

Any other documents that may be required as part of your application, will be set out in the Heads of Terms.

Submission of all necessary documents will be required by email, together with the under offer fee, within 4 weeks from the date of the Heads of Terms; you will be asked to provide confirmation in respect of the under offer fee.

Failure to adhere to the above timescales and failure to provide the documents in the required format will result in your offer being withdrawn, without any further notice.

Rent will be payable in advance via standing order. A rent deposit bond equal to three months of the agreed rent will also be required.

The Council will insure the building but will recover the insurance premium from the tenant by way of additional rent.

Lessees will be responsible for payment of the Council's legal costs in connection with preparation of the lease.

NB PLEASE NOTE THAT THE COUNCIL IS NOT OBLIGED TO ACCEPT THE HIGHEST OFFER OF RENT OR ANY OTHER OFFER IT RECEIVES IT DEEMS UNACCEPTABLE.

Storage compounds are available to let on a short term basis, with further information available on request. Any applications will be considered at the Council's discretion.
