For unsuccessful applications, personal data will only be kept for maximum of 12 months. For successful applications, in accordance with financial regulations data will be retained for a maximum of 7 years in line with our Document Retention procedures. You have the right to withdraw your consent at any time, should you wish to do so please contact: VSST_play@sandwell.gov.uk.

SECTION 9: CONDITIONS OF FUNDING

Please note that an organisation may forfeit its right to receive any further funding from the Council if these conditions are not complied with.

- 1 Applications will be considered from private sector/independent organisations, schools/educational settings, grassroot projects, sports clubs, not for profit voluntary and community organisations. Details of eligibility of voluntary and community organisations can be found at – [Definition of voluntary and community Sector](#).

Programme beneficiaries must meet the following criteria:

- 2
 - All children and young people must receive benefits-related free school meals (FSM), reside in Sandwell, or attend a school in Sandwell, and be between reception and Year 11.
 - There may be some children who are not eligible for benefits-related FSM but have protected characteristics (e.g., children with no recourse to public funding, have an EHCP or are a looked after child in education), we are still able to allocate the 16-digit code for these children and young people.

- 3 To be eligible for funding, organisations must provide services within Sandwell and ensure that they benefit children, young people, and families residing in Sandwell. It is important that these services are accessible to children and young people from all ethnic backgrounds.

- 4 Beneficiaries should not be charged to access the services provided.

- 5 You must declare on your application form if you are delivering with other partner organisations, failure to do so will result in a withdrawal of your grant.

- 6 Applications received after the closing date/time will **NOT** be considered for funding.

- 7 The Council will **NOT** consider applications for funding in retrospect and no funding will be approved for anything not detailed on the application.

- 8 Prior to the start of project delivery, all staff and volunteers are required to have undergone recent (within 24 months) safeguarding/child protection training. We will verify this by referencing Appendix 3 and during subsequent monitoring visits. See link to access free online training: [Sandwell Children's Safeguarding Partnership Training Courses](#)
- 9 All project staff and volunteers are required to possess enhanced DBS certificates before the commencement of project delivery. We will verify this by referencing Appendix 3 and during subsequent monitoring visits. (DBS must be carried out within the last 3 years).
- 10 Funded projects must submit a detailed breakdown of their expenditure by completing an income and expenditure form, which should be retained for a minimum of 2 years after the project concludes. As part of the monitoring process, the Council will verify and request the submission of receipts for examination, including those related to venue hire, food, transport, and other activities that make up 30% of the total grant awarded. Invoices or receipts for review should be a minimum of £100 or more. Failure to submit by the deadline will impact future holiday period funding. Any unspent funding must be returned to Sandwell Council, and overspent funds will not be reimbursed without prior approval.
- 11 Council funding should not be utilised as "personal spending money" for children, young people, staff, volunteers, or for any items unrelated to project activities.
- 12 Any assets acquired with the assistance of the funding cannot be sold or otherwise disposed of, without the Council first being informed.
- 13 Organisations receiving funding from the Council are responsible for ensuring the safety of their provision. This includes having appropriate Health and Safety policies/statements, child protection/safeguarding policies and procedures, accessibility and inclusiveness measures, risk assessments, online safety procedures, adequate staff/volunteer ratios, relevant insurance coverage, and enhanced DBS certificates for all staff/volunteers. These requirements should be in place throughout the duration of the project.
- 14 The Council will monitor all projects in receipt of council funding **any time over the funding period**. It is therefore important that the Council is notified of changes to the project timetable and number of children expected to attend.
- 15 All promotional materials must include the Holiday Activities and Food (HAF), Department for Education and the Sandwell Council logos. Logos will be sent to successful organisations.

- 16 Successful organisations will be featured in the HAF directory on our website, providing Free School Meal families with access to details about your activities and food offer.
- 17 Successful organisations must obtain consent from parents to share information of children with Sandwell Council on behalf of HAF.
- 18 Successful organisations must ensure that they update their activity information on the Holiday Activities (E-vouchers) platform prior to each HAF holiday to enable parents to book activities.

You will be required to complete a self-monitoring form at the conclusion of each HAF holiday period. This form allows you to reflect on and provide comments regarding your delivery. Additionally, you will be required to update your E-voucher attendance on the day of each session you deliver.

- 19 In cases where the delivery occurs off-site and you do not have an internet connection, it is necessary to update the attendance record within 24 hours of the session being delivered. Failure to comply with the submission deadlines of the self-monitoring form and E-voucher attendance records will affect the next holiday funding period.
- 20 All providers are required to attend two post-delivery meetings per year, which are scheduled for the month following each holiday period. Attendance at these meetings is mandatory for all providers.
- 21 All providers must attend a Holiday Activities (E-Voucher) training session prior to the delivery of their services. These training sessions will be scheduled in the month preceding the holiday period during which the delivery will take place. Attendance at these sessions is mandatory for all providers.
- 22 All providers must attend the annual HAF Conference meeting, scheduled to take place in November 2024. Invitations will be sent out closer to the date of the Conference. Attendance at this meeting is mandatory for all providers.
