

# Tree Preservation Order Quick Guide

From the main Public Access page select Search, Trees and Simple Search

This will give you a simple search result with guidance at the head of the page. Select the property tab

A screenshot of the Sandwell Metropolitan Borough Council website showing the 'Trees - Simple Search' page. The header is light blue with links: Home, Planning and Building Control, and Planning applications. Below it is a grey navigation bar with links: Search, My Profile, Saved Searches, Login, Register, and Apply Online. The main content area has a heading 'Trees - Simple Search' and a sub-heading 'Search Tree Preservation Order Register by keyword, reference number, postcode or by a single line of an address.' Below this is a search form with tabs: Simple, Advanced, Property, and Map. The 'Property' tab is highlighted with a red box. Below the tabs is a text input field with a placeholder 'Enter a keyword, reference number, postcode or single line of an address.' and a green 'Search' button.

Enter your property address in the set fields and select search

Trees – Address Search

Search for current or historical cases relating to a property by selecting at least one of the address fields in the form below.

Map

Summary

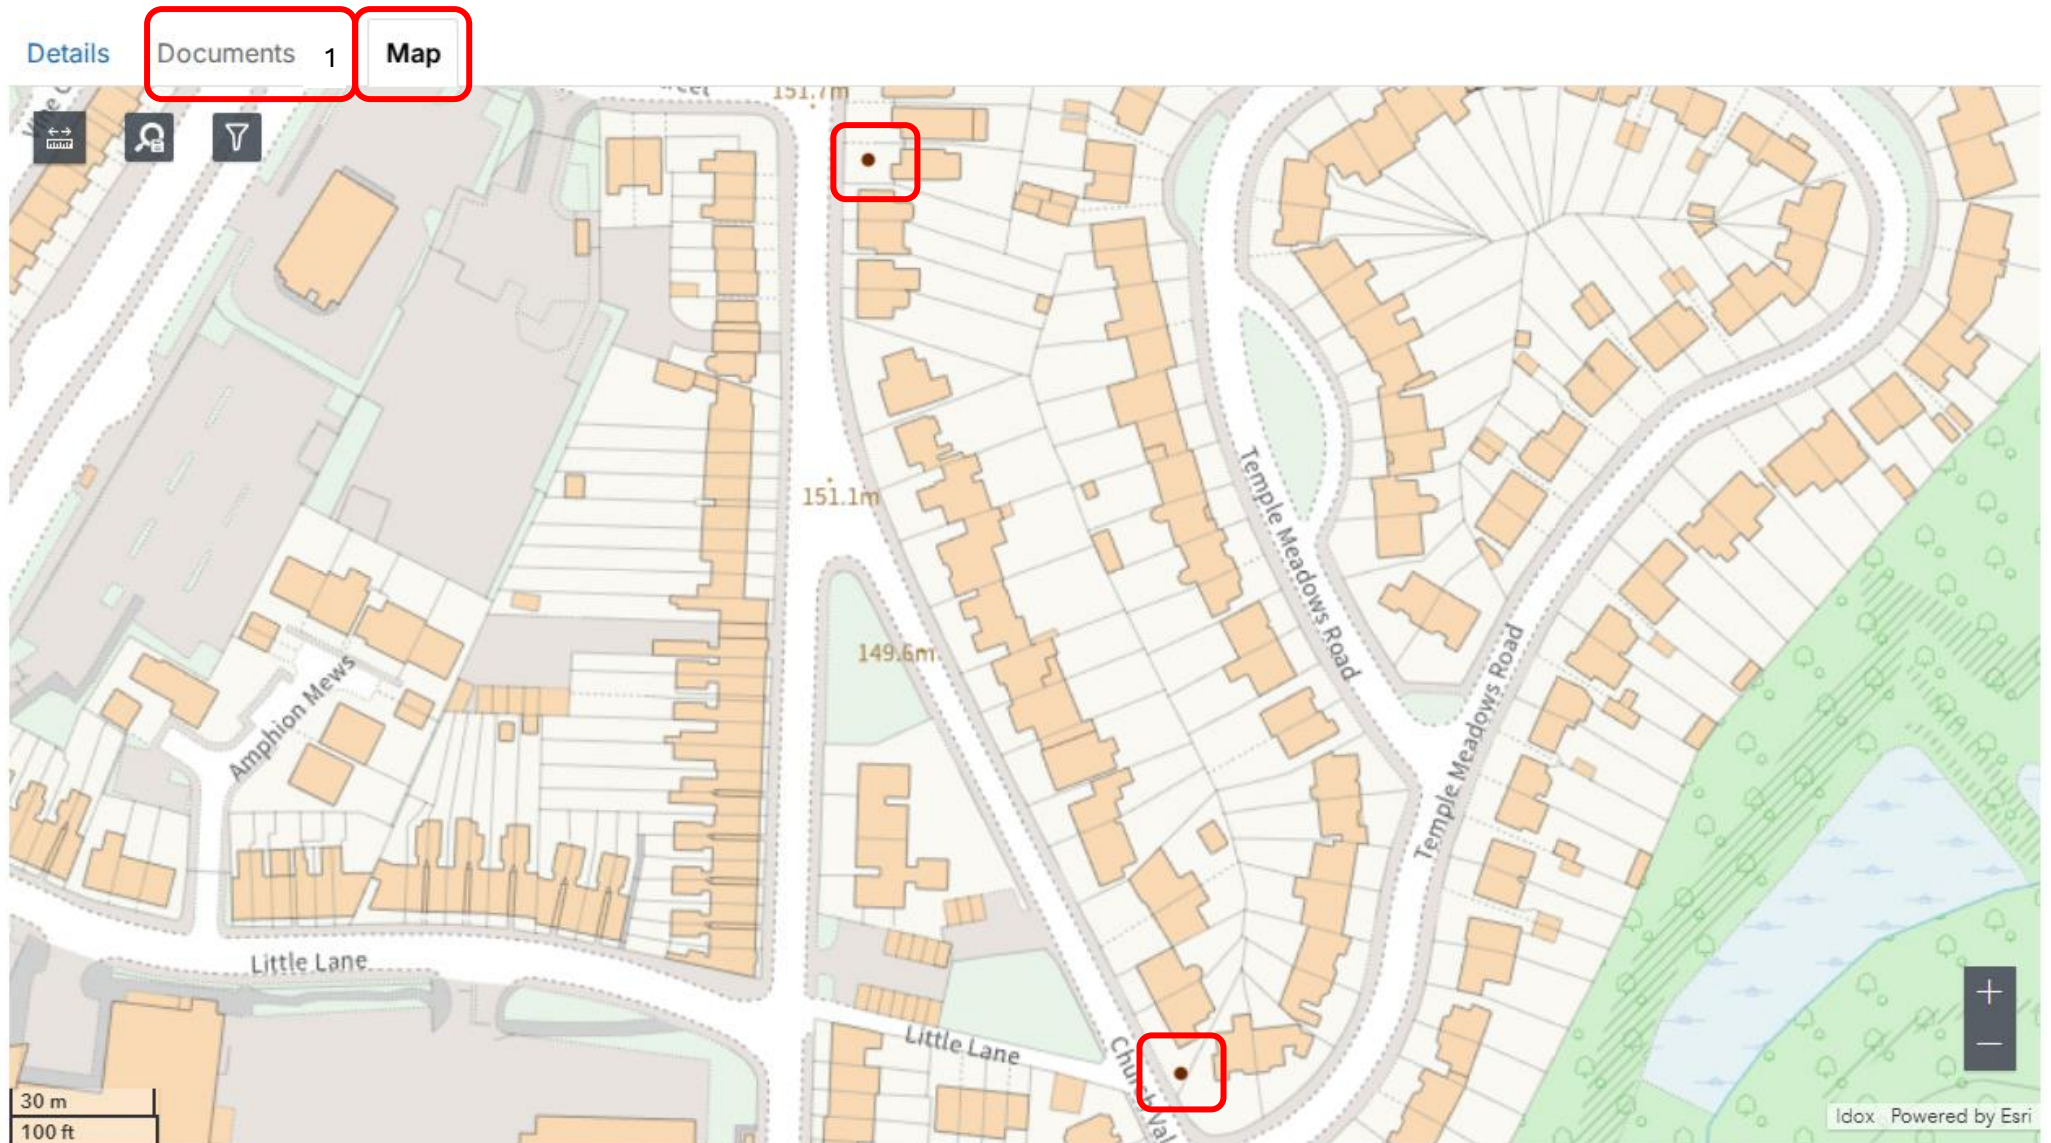

Schedule

Category	Tree
Species	Ash
Count	T2
Easting	401004
Northing	292516
Situation	Land between Church Vale

Category	Tree
Species	Wych Elm
Count	T3
Easting	401068
Northing	292329
Situation	Garden of Church Vale

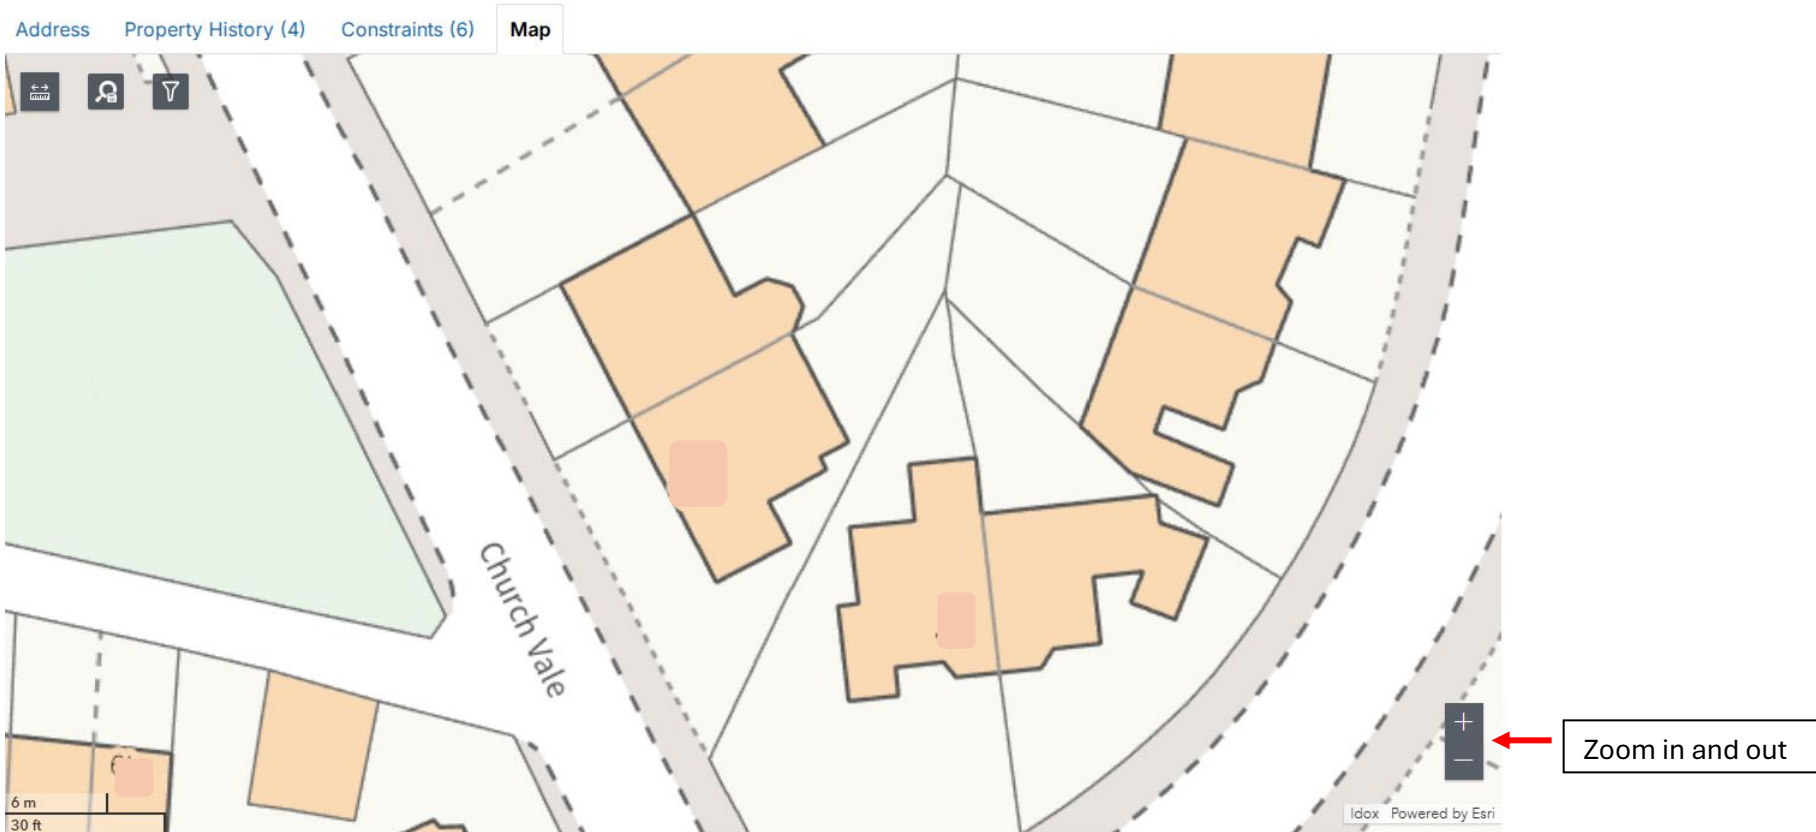

Category	Tree
Species	Wych Elm
Count	T1
Easting	
Northing	
Situation	Garden of Church Vale Date removed 08.03.1997

The map tab will show you the location of the trees on the order by a brown dot.

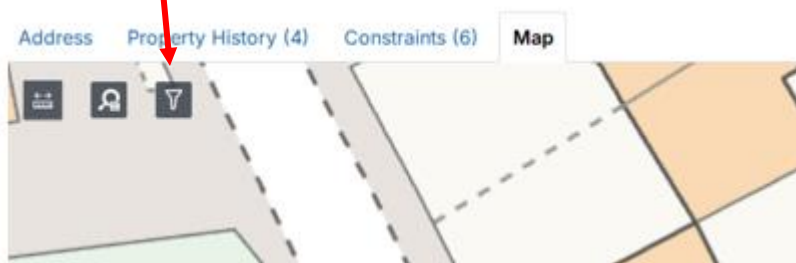

If you select the document tab this will show you the original order with a plan.

If there is no TPO listed on the Property History tab, select the map tab to check the map direct.

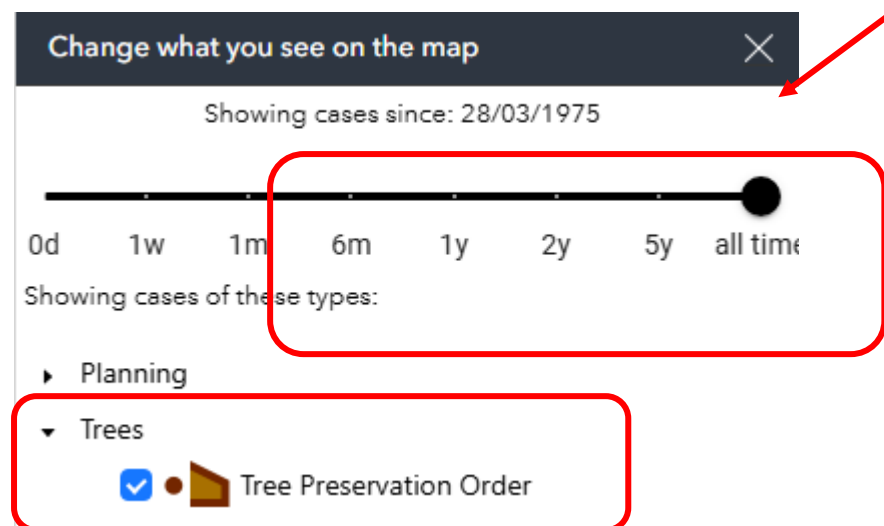

To zoom in click the + or – until you get your required view level

Turn on layers you wish to see (This includes Trees, Planning, Building Control, Property points)

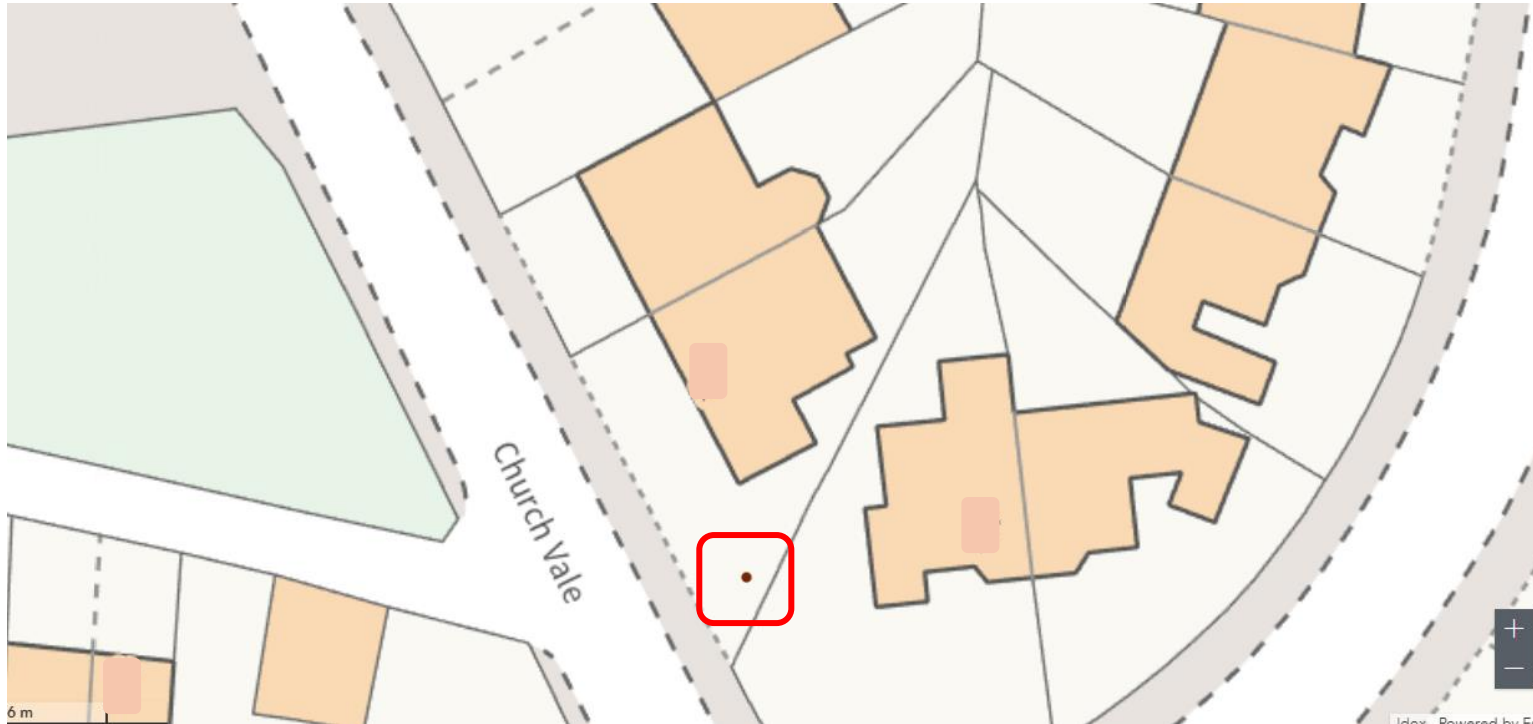

For layers select the icon to open the window, select ► next to Trees and then place a ✓ in the box to activate the layer and move the time bar to all time, close the window on the X. Give the map some time to load the new data.

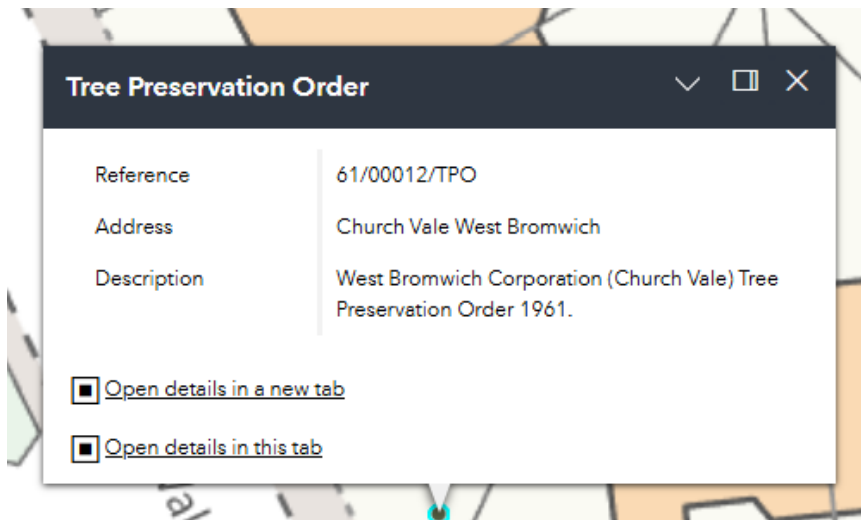

If there is a TPO on the property there will be a brown filled circle (tree point) shown as shown on the next page.

If you click the Tree Point it will open a window giving you the TPO reference and the ability to open the record with full details as on page 4 with the summary and schedule.
