

# Our services

## Burials

Families are able to choose from either an individual burial plot or a burial plot for ashes. We also offer memorials for these burial plots.

## Ashes

We offer individual above ground memorials where families are able to place ashes within.

## Scattering

We have a dedicated area for families to scatter the ashes of their pets.

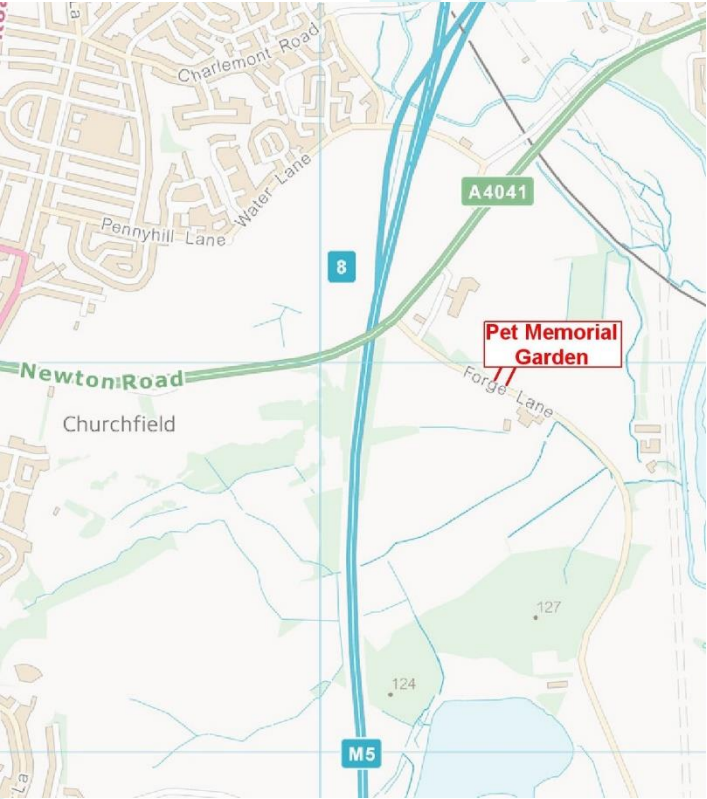

## Cremation

We do not have the facility to provide pet cremations on site. However we can signpost you.

## Personal collection

Your pet may be taken into our care whilst funeral arrangements are being made. This is a local service please call to discuss.

# About us

We understand that losing a beloved pet can be very emotional.

Our team are here to help you through what can be a difficult time. As many of us are pet owners ourselves we understand the importance of a personal service.

Sandwell Pet Funeral Services has gardens set amongst green fields. We have provided a tranquil place for families to come to say goodbye and remember their beloved companions.

You may wish to remember your best friend by having a memorial in our garden or a token keepsake for home. Our team are here to help answer your questions and

support you through this difficult time.

# Memorials

Memorials can be a special way to remember your pet.

If you have chosen a burial, you can choose to purchase a coffin and a headstone memorial from us.

Headstones for our Pet Memorial Garden must be purchased through our office.

## Keepsakes & jewellery

You may wish to take a small amount of your pet's ashes home with you. We have a variety of different urns and keepsakes that you can choose from.

We also offer keepsake jewellery which is specially designed to hold a small amount of your beloved pet's ashes.
