SANDWELL BEREAVEMENT SERVICES

**‘WHEN SOMEONE YOU LOVE
BECOMES A MEMORY,
THAT MEMORY BECOMES
A TREASURE’**

Here at Sandwell Bereavement Services we understand how important choosing the right memorial can be. They are a lasting reminder of a loved one and a tribute to their life.

There are many different types of memorials you can choose from at Sandwell Valley Crematorium and Rowley Regis Cemetery and Crematorium.

Appointments are available with a Memorial Advisor at our administration office at Sandwell Valley Crematorium or via telephone.

In this appointment you will be able to discuss options of memorialisation for loved ones.

Options for memorials include those where ashes can be interred within/beneath and those where ashes can be or have been scattered on the gardens of remembrance.

Memorials can take approximately 8 - 12 weeks from receiving payment to being placed within the crematorium grounds.

All memorials that are placed within the crematorium grounds are purchased for a leased period, therefore it is important for you to keep our Bereavement Services team informed of any change to your address, for the purpose of renewing the memorial in the future.

To make an appointment, please contact our memorial advisors on Tel: 0121 569 6791/6793.
