

SANDWELL LOCAL PLAN 2024-41 EXAMINATION**SCHEDULE OF ACTION POINTS FOR THE COUNCIL****Day 2 – Matter 2**

2.2	Inform the inspector of the arrangements for regularly updating the IDP
-----	---

The Council has an officer-led Community Infrastructure Levy (CIL) Implementation Steering Group that oversees the CIL process within the borough along with the production and review of the Infrastructure Funding Statement. Officers from the Development Management, Planning Policy and Neighbourhood Engagement and Operational Services teams are involved with the group. It is anticipated that this group will also oversee the review of the infrastructure schedule and report to the Cabinet Member where necessary.
