

STATEMENT OF REASONS

The Borough Council of Sandwell (Off Street Parking Places Order No.1) (Union Street, West Bromwich) 2025

Sandwell MBC proposes to introduce an Off-Street Parking Places Order for Union Street car park, West Bromwich.

Off Street Parking Orders help regulate parking controls on public car parks in Sandwell. This enables Civil Enforcement Officers employed by the Council to patrol the car park and undertake enforcement duties. These measures help prevent misuse of the parking place and improve access for all users.
