Property Services have a number of workshops currently available to rent across the borough ranging in size from 20 m² (215 sq ft) to 1,400 m² (15,000 sq ft).

All workshops are available on a three-year internal repairing lease basis subject to a sealed bid process.

A service charge, included with the rent payment, is levied to cover costs of maintenance of communal areas, security etc.

The lease will be contracted out of Sections 24-28 of the Landlord and Tenant Act, 1954.

The lease includes a three month landlord and tenant break option, which gives either party the opportunity to terminate the lease at three months' written notice. The notice is subject to all rent being paid to date and the workshop being handed back to the Council in a condition that meets with the satisfaction of the Property Service's representative. A conditional survey of the office will be undertaken before the workshop is let and again upon return to Property Services.

Workshops may be used for any industrial use within Class E, B2 & B8 of the Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020. Uses for motor vehicle repairs, motor vehicle breaking, tyre fitting and repairs, valeting, taxi services are not permitted or any other use that may be deemed inappropriate.

Any change of Use Class is subject to the necessary planning consent being granted.

Virtual 360 videos are available to view workshops being marketed and can be accessed via the following link: https://www.youtube.com/channel/UCbEzZtZFYIRsV9QacRYg?view_as=subscriber

Upon successful acceptance of an offer, a viewing of the premises will be offered by email, to the successful applicant, who will need to provide a contact name and number of the individual who will be attending the viewing (maximum of 2 individuals per viewing). If these details are not provided, the viewing will be cancelled.

At the viewing, each individual attending will be required to bring photo ID. The officer from Property Services will then take a photograph of the ID for our records. If photo ID is not presented, the viewing will not proceed. Please note, if you choose to proceed with your offer following the viewing, the council will still require certified ID from a Solicitor which will be confirmed when Heads of Terms are issued. Acceptable form of photo ID is a driving licence or passport.

Applications for premises must be made on the formal sealed offer and application to lease form, which can be accessed via the following link. When completing the Sealed Offer and Application to Lease form, the council will require detailed information with regards to your proposed use. For example, if you will be using the workshop for storage, you will need to mention what items will be stored in connection with your business or trade.

https://my.sandwell.gov.uk/service/application_to_lease

In order to fill in an application to lease form, you will be asked to create a My Sandwell Account. If you already have a My Sandwell account you will be asked to log in.

Once you have completed the form, you will receive an automated email confirming your application has been submitted, with a list of documents that will be required. Please note, offers will not be opened until after the closing date.

If an offer is accepted the property will be placed "Under Offer" and taken off the market. For the property to be formally "Under Offer", however, the offeror will be required to pay an online payment of £750 towards the council's initial fees; all other fees will be collected near formal completion of the lease.

The under offer fee is non-refundable and will only be returned if the lease does not proceed purely as a result of reasons beyond the control of the prospective lessee.

Please Note: Where Properties are marked "UNDER OFFER" this means the property is no longer available and will remain in the marketing particulars until formal completion of the lease.

In addition, prior to a lease being granted and as part of the due diligence process, the Council will require the following from the successful offeror:-

- Certified identification documents (i.e. photo driving licence and passport) from a Solicitor, from their firm's email address.
- Completion of the Council's Anti Money Laundering Declaration Form, together with the necessary supporting documentation (e.g. 12 months bank statements)
- Proof of home address (e.g. personal bank statement, utility bill)
- A satisfactory credit report from an accredited credit reference agency, which will need to include the scoring information.
- Company accounts for the last three years or from the time of trading, if the lease is to be granted to a registered company.

Any other documents that may be required as part of your application, will be set out in the Heads of Terms.

Submission of all necessary documents will be required by email, together with the under offer fee, within 4 weeks from the date of the Heads of Terms; you will be asked to provide confirmation in respect of the under offer fee.

Failure to adhere to the above timescales and failure to provide the documents in the required format will result in your offer being withdrawn, without any further notice.

Rent will be payable in advance via standing order. A rent deposit bond equal to three months of the agreed rent will also be required.

Lessees will be responsible for payment of the Council's legal costs in connection with preparation of the lease.

NB PLEASE NOTE THAT THE COUNCIL IS NOT OBLIGED TO ACCEPT THE HIGHEST OFFER OF RENT OR ANY OTHER OFFER IT RECEIVES IT DEEMS UNACCEPTABLE.

Storage compounds are available to let on a short term basis, with further information available on request. Any applications will be considered at the Council's discretion.
