

# Data Intelligence Unit Agreement 2024-25: Primary

The following systems and services are included in the DIU Agreement for 2024-25:

## **Perspective Lite website which includes:**

- **School Census Profile:** analysis of the January census
- **Half termly school attendance RAG and profile:** includes analysis by pupil characteristics and national data, based on weekly datafeeds from school MIS to LA MIS
- **Interactive pre-populated reports based on statutory data collections:** analysis and comparative data available prior to Analyse School Performance (ASP) for EYFSP, Phonics and Key Stage 2
- **Interactive pre-populated reports based on optional data collections:** analysis and comparative data for Key Stage 1 and MTC where schools choose to take part
- **LA Documents area:** includes reports produced by DIU e.g. School trend reports, Half termly attendance reports, WellComm analysis, school census profile
- **Insight Reports:** providing instant visual Insight and commentary about your school for end of key stage, census demographics, census attendance and exclusions.
- **News items:** Key updates including school data collection information

## **Fischer Family Trust Aspire website which includes:**

- **New next Generation Aspire Platform:** Live integrated datasets, updated overnight, developed throughout the year, in built research and intelligence
- **Performance Analysis:** for headline measures and individual subjects, can be used by governors and subject leaders as well as the SLT—schools can submit data to FFT in summer to populate these reports, reports will be updated to later DFE data where available
- **Target setting:** New Target Setting module with a range of reports aimed at different audiences. Functionality includes classes, dynamic estimates based on selection of estimate models, and the ability to select from a range of prior attainment options.
- **Weekly Attendance Tracker:** weekly attendance comparisons, data collected automatically from school MIS, 360 attendance report
- **Reading Assessment Programme:** included in subscription
- **Aspire Pupil Tracking:** included in subscription

## **School Census**

- Advice and guidance on accurately completing your school census from a very knowledgeable member of staff
- Access to the optional school census checking service for Academies and Free schools where additional checks are carried out on the schools census data to ensure the school receives accurate funding. (See School Census Checking Service Flyer)

## **Advice and Guidance**

- **Key Updates** in Perspective news items and circulars
- Email and telephone support for queries relating to data e.g. ASP, IDSR, GIAP
