

Adrian is a huge fan of Engelbert Humperdinck. He chooses to listen to his music and sings/dances along to the YouTube videos during his Home and Away Day Respite sessions with his Shared Lives Carers, Charlotte and Dennis.

Adrian has saw Engelbert Humperdinck many years ago in concert and always wished to be able to see him again. His Shared Lives Carers made this a reality for him as Engelbert returned to Birmingham this year.

Adrian enjoyed an evening of hit songs, dancing and a cheeky selfie! He had a great time and was reported to have attended day services the next day with the biggest grin on his face. He has told the team he 'absolutely loved it!'
